Today, most parents are having some problems with their children. There are a lot of reasons for that, but I will talk about one of them, responsibilities. Parents are trying to do all housework alone. That's not a good thing. Children should also do some chores at home. They should tidy up their room and their clothes. It is a start and it is very important. When they start tidying their room regularly, you can ask them to help you in other chores.
