E- Read the text and answer the questions: (2x5=10)

Vincent van Gogh is one of the most famous artists in the world, but when he lived he only sold one painting. He wanted to become an artist in 1880. He was 27 years old that year. He worked in Paris but he made his best paintings in Arles in South France. Van Gogh never married and his brother Theo, was always his best friend.

Unfortunately, van Gogh was mentally ill and he cut off his ear one day. In 1889, he entered a sanatorium but he continued to paint. He died in 1890. He was always poor but today his paintings are sold for millions of dollars.

1. What was van Gogh's job?

2. Why did he cut off his ear?
